DUTY DAY (Off Ice Helper) 2019/2020

First Hour (5:15pm - 6:15pm)

IF YOU ARE UNABLE TO TAKE YOUR SHIFT, PLEASE SWITCH WITH ANOTHER PARENT.

An off ice helper is responsible to be at the rink during the practice they are scheduled for. They are the first point of contact with coaches, offering assistance with skaters needs such as calling for help in case of emergency and helping with equipment adjustments etc. It is imperative that we have an off ice helper for every skating hour throughout the year. All children 13 years and under require a parent to remain at the rink during practice.
